

PeptGPT — Privacy Policy

Effective date: July 3, 2026 • Last updated: July 3, 2026

This Privacy Policy explains how **MagicBrainAI** ("we," "us," "our"), the developer of the **PeptGPT** mobile application ("PeptGPT" or the "App"), collects, uses, stores, and shares information when you use the App. By using PeptGPT, you agree to this Policy.

If you do not agree with this Policy, please do not use the App.

Contact: support@magicbrainai.com

1. Important medical, safety, and legal disclaimer

PeptGPT is provided **for informational and educational purposes only**. PeptGPT is **not a medical device**, is **not intended to diagnose, treat, cure, or prevent any disease**, and does **not provide medical advice**. All content in the App — including peptide reference material, dose calculators, reconstitution math, evidence tiers, schedules, notifications, and responses from the "Pep Bot" AI assistant — is general information and must not be used as a substitute for consultation with a qualified, licensed healthcare professional.

You are solely responsible for:

- Any decisions you make regarding peptides or other substances.
- Compliance with all laws and regulations in your country and jurisdiction, including those governing prescription drugs, controlled substances, research chemicals, and importation.
- Verifying the accuracy and appropriateness of any information provided by the App before acting on it.

Some substances referenced in the App may be prescription-only, unapproved for human use, or prohibited in certain jurisdictions or by certain athletic bodies (e.g., WADA). PeptGPT does not endorse, recommend, or facilitate the acquisition or use of any substance.

If you experience a medical emergency, contact your local emergency services immediately. Do not rely on the App in emergencies.

2. Age restriction

PeptGPT is intended for users **17 years of age or older**. We do not knowingly collect personal information from anyone under 17. If we learn that we have collected information from a person under 17, we will delete it. If you believe a minor has provided us with information, please contact us at support@magicbrainai.com.

3. Information we collect

We collect the following categories of information:

a. Account and identity information

- Your **name** (when you sign in with Apple and choose to share it).

- Your **email address** (from Sign in with Apple or your Apple ID relay address).
- A **user identifier** (Firebase user ID) that we use to associate your data with your account.

b. Health and wellness information you provide

- Peptides, compounds, and dosages you log.
- Injection schedules, routes of administration, and reconstitution details.
- Goals, activity level, personal details (e.g., weight, age range), and lifestyle inputs you enter during onboarding.
- Dose history, adherence, and vial/expiry information.

c. Chat content (Pep Bot)

- Messages you send to the Pep Bot AI assistant and the context sent with them (e.g., your goals, current schedule).
- Replies generated by the AI provider.

d. Purchase and subscription information

- Subscription status, product identifiers, purchase history, and entitlement records.
- We do not receive or store your full credit-card number; payments are processed by Apple.

e. Diagnostic and usage information

- Anonymous crash reports and error logs.
- Product-interaction analytics (which screens are opened, which features are used, funnel completion, etc.).
- Device model, operating system version, and app version.

f. HealthKit data (optional)

- If you grant HealthKit access, the App may read or write certain health metrics locally on your device.
- **HealthKit data stays on your device.** We do not upload HealthKit-sourced data to our servers, we do not share it with third parties, we do not sell it, and we do not use it for advertising. HealthKit data is used only to support App functionality on your device.

4. How we use your information

We use the information we collect to:

- Provide, operate, and maintain the App and its features.
- Authenticate you and secure your account.
- Store, sync, and display your dose logs, schedules, and settings.
- Generate replies from the Pep Bot AI assistant based on your messages and context.
- Deliver reminders and beyond-use-date notifications.

- Process subscription purchases and manage entitlements.
- Diagnose crashes and errors and improve reliability.
- Understand feature usage and improve the App.
- Comply with legal obligations.

We do **not** use your information for third-party advertising, and we do **not** sell your personal information.

5. Third-party service providers

We use the following third-party services to operate the App. Each provider only processes data on our behalf, under contractual terms limiting their use of that data.

Provider	Purpose	Data processed
Apple (Sign in with Apple, App Store, StoreKit, HealthKit)	Authentication, purchases, health integrations	Name, email (or relay email), purchase transactions, HealthKit permissions
Google / Firebase (Auth, Firestore, Cloud Functions, Analytics, Crashlytics)	Account authentication, data storage, backend for Pep Bot, product analytics, crash reporting	User ID, name, email, dose logs, chat messages, event data, crash logs
Qonversion	Subscription and entitlement management	User ID, subscription events, device identifiers
Anthropic (Claude API) and/or OpenAI (API)	Generating Pep Bot AI replies	Chat messages and the context you send with them; no training on API inputs per provider terms

Links to third-party privacy policies:

- Apple: <https://www.apple.com/legal/privacy/>
- Google / Firebase: <https://firebase.google.com/support/privacy>
- Qonversion: <https://qonversion.io/privacy>
- Anthropic: <https://www.anthropic.com/legal/privacy>
- OpenAI: <https://openai.com/policies/privacy-policy>

6. Legal bases for processing (EEA / UK users)

If you are located in the European Economic Area or the United Kingdom, we process your personal information under the following legal bases:

- **Contract** — to provide the App and its features you request.
- **Legitimate interests** — to secure the App, prevent fraud, understand usage, and improve reliability.
- **Consent** — for optional integrations such as HealthKit, notifications, and analytics where consent is required.

- **Legal obligation** — where required by applicable law.

You may withdraw consent at any time; withdrawal does not affect prior lawful processing.

7. Data retention

- Account and health data are retained while your account is active.
- Chat content (Pep Bot messages) is retained to provide conversation history in the App.
- Diagnostic data (crash reports, analytics) is retained per our providers' standard retention periods (typically 14 months for Firebase Analytics).
- After account deletion, we delete your personal data within 30 days, except where retention is required by law (e.g., tax records for purchases).

8. Your rights

Depending on your jurisdiction (including the EEA, UK, California, and others), you may have the right to:

- Access the personal data we hold about you.
- Correct inaccurate data.
- Delete your data ("right to be forgotten").
- Export your data in a portable format.
- Object to or restrict certain processing.
- Withdraw consent for optional processing.
- Lodge a complaint with your local data-protection authority.

Account deletion: You can delete your account from within the App (Profile → Manage Account → Delete Account), or by emailing support@magicbrainai.com. Deletion removes your account, dose logs, chat history, and associated identifiers from our systems within 30 days.

To exercise any right, contact support@magicbrainai.com. We may ask you to verify your identity before completing the request.

9. Data security

We use industry-standard measures to protect your information, including encryption in transit (TLS), secure authentication via Sign in with Apple and Firebase, and access controls on our backend. However, no method of transmission or storage is 100% secure, and we cannot guarantee absolute security.

If we become aware of a data breach that affects your personal information, we will notify you and the relevant authorities in accordance with applicable law.

10. International data transfers

Our providers (Firebase/Google, Anthropic, OpenAI, Qonversion) may process data in the United States and other countries. Where required, we rely on Standard Contractual Clauses (SCCs) or equivalent

safeguards to protect your data during international transfers.

11. Do Not Track / tracking

PeptGPT does **not** engage in cross-app or cross-site tracking for advertising purposes. We do not integrate advertising SDKs (e.g., Meta, TikTok, AppsFlyer, Adjust). Under Apple's App Tracking Transparency framework, we do not prompt you for tracking permission because we do not track you across other companies' apps or websites.

12. Changes to this policy

We may update this Policy from time to time. The "Effective date" and "Last updated" at the top of this document will indicate when it was last changed. Material changes will be communicated in the App or by email where appropriate. Continued use of the App after changes means you accept the updated Policy.
